GHAZIABAD**

**INFORMATION BOOKLET
FOR
ACADEMIC YEAR 2016-17**

NAAC Accredited

Approved by AICTE and Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow

VISION

To introduce undergraduate and postgraduate courses for all engineering branches and award of Ph.D degree, to be one of the best engineering colleges in the country and to be a deemed university.

MISSION

We strive to provide and maintain academic environment and systems, enabling maximum learning to produce competent professionals. We also aim at achieving this through transparent academic and administrative policies in the college. We intend to provide conducive atmosphere for research, development and consultancy services to our faculty at national and international level.

QUALITY POLICY

To provide and continually improve academic environment and systems which give total satisfaction and enable students to develop their full potential and mature into competent professionals and responsible members of society.

ABOUT THE COLLEGE

Ajay Kumar Garg Engineering College, an ISO 9001-2008 certified and NAAC accredited institute, is an initiative of Indian Institute of Management and Engineering Society. Started in 1998, the institute has built an excellent faculty pool of experience and rich intellectual capital base, state-of-the-art infrastructure, technology savvy campus along with commitment towards excellence. The emphasis has been to build industry ready technocrats and develop sound academia-industry collaboration.

The college offers B.Tech courses in seven disciplines. At the post graduate level, the college offers MCA and M.Tech courses in six engineering disciplines. The courses are approved by AICTE and affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow.

The college has been consistently maintaining excellent academic results and placements. The college places special emphasis on collaboration with industries at various levels to groom the students to meet the standards of industry. These include establishing collaborative facilities for student training in emerging multi disciplinary technologies and undertaking industry sponsored consultancy projects.

The college has the distinction of being the first and only college in the State of Uttar Pradesh to receive the Academic Excellence Award for the Best Engineering College in UPTU (now renamed AKTU) from His Excellency, the Governor of U.P., for two successive years. The college is also recipient of CMAI award for Best Industry Interface from the Hon'ble Minister of Science and Technology, U.P. Government.

Spread over a 40 acre campus, the college has excellent infrastructure. The academic and administrative blocks, hostels and faculty residences surrounded by lush green lawns provide a conducive environment. In keeping with the college philosophy of environmental sustenance, the eco friendly campus has a network of rainwater harvesting systems to recharge ground water and sewage treatment plants to recycle the water for horticulture needs.

The main distinguishing features of the college have been uniform transparent policies and systems as well as uncompromising honesty in every facet of its activities. The college believes in setting audacious goals and infusing fresh ideas to achieve them. AKGEC alumni are known not only for their professional competence but also for their moral values, ethics and a sense of civic and social responsibility.

SCALING THE ZENITH OF EXCELLENCE

Driven by its commitment to provide quality technical education, Ajay Kumar Garg Engineering College has become the best Engineering Institution in Uttar Pradesh

THE DIRECTOR

AKGEC is firmly set to transform into one of the leading technical institutions under the brilliant leadership and competent direction of its Director, Dr. R.K. Agarwal, B.Tech from IIT Kanpur, M.S. from CIT, Cranfield, UK and PhD from IISc Bangalore. During his illustrious career of nearly three decades in the Indian Air Force and Defence Research & Development Organization (DRDO), he has held various key appointments including Chief Engineering Officer of an Operational Base, Director (Engg) at Air HQ and Project Director at Centre for Airborne Systems. His vast managerial, administrative, research and academic experience includes teaching assignments at Air Force Technical College and nine years of pioneering R&D work on the prestigious AWACS project in DRDO. He has also been a member of the Aeronautical Research & Development Board (ARDB) panel for approval and review of sponsored research projects at various Centres of Excellence established at IITs and CSIR Laboratories.

He is the recipient of the coveted Royal Aeronautical Society (UK) award for academic excellence at CIT, and a citation with cash award by DRDO for his contribution to the design and development of Airborne Early Warning Aircraft, culminating in its maiden flight.

After taking voluntary retirement in 2004, he decided to contribute in the field of technical education and has been the Director of Ajay Kumar Garg Engineering College (AKGEC), Ghaziabad since then. He has been persistently working towards setting new benchmarks in academic excellence, as well as industry–academia interface to make the students globally competitive and employable. During his tenure, the college has not only been consistently maintaining exceptional results and placements but has also made significant progress in research and industry relevant consultancy projects. During his tenure, the college has also achieved the unique distinction of receiving the Academic Excellence Award for Best Engineering College in UPTU (now renamed AKTU) from His Excellency, the Governor of U.P. for two successive years and also National award for Best Industry Interface from Hon'ble Minister of Science & Technology, UP.

Dr. Agarwal places emphasis on all round development with focus on inculcating self discipline, good moral values, ethics, work culture and a positive attitude to make the students not just competent professionals, but also good citizens and responsible members of the society. His wide ranging experience, vision and dynamism have infused inspiration and provided a road map for the college to achieve the zenith of excellence in all fields of activities.

He has also contributed in bringing about a culture of corporate social responsibility in the institution. The social activities initiated by him include running a free primary school in the college, adopting a municipal corporation school in a nearby village, providing tuition fee subsidy to children of class IV employees, donating computers to spread computer literacy and generously contributing for relief work after natural calamities.

INFRASTRUCTURE

Academic Complex

The academic complex spanning over the main block, back block, lecture theatre block, Mechanical Engineering block, CSE and IT block and the MCA block consists of fully furnished lecture halls equipped with modern teaching aids, well equipped laboratories, computer centres, central library, seminar halls and faculty rooms to facilitate smooth conduct of courses in a befitting manner.

Library

The College has a fully automated central library with a collection of over 90,000 text and reference books. Book Bank facility is extended to all students of the college. E-journals including IEEE Xplore, ASME, Science Direct, Springer and J-Gate can be accessed in the digital library equipped with computer systems and multimedia facility. The library also subscribes to national/international journals, periodicals and newspapers and maintains a vast collection of CD ROMs. Inter library loan is facilitated through DELNET membership. The library is also a member of British Council Library. The library is open for the students up to 9 p.m. in regular semester and up to midnight during examination period.

In addition to the central library, the departments maintain their own departmental libraries. Hostel libraries, managed by the students, maintain magazines, novels and motivational reading material.

Laboratories

The departmental laboratories are well equipped with the latest equipment as per the requirements of the curriculum. Faculty lab incharges along with the lab assistants ensure regular updation and maintenance of the lab equipments.

A dedicated language lab, set up with 31 terminals and the latest software packages, is also available for the development of the students' communication skills.

Central Computing Facility

The college has state-of-the-art computing facilities networked through broadband for Internet access. Three computer centres equipped with the latest configuration computers serve as a central computing facility for the students. One computer centre is open for use by the students beyond college hours up to 9 p.m. The academic and administrative blocks, hostels and the faculty residences are WI-FI enabled.

Hostels

The college has separate on campus hostels for boys and girls providing accommodation for about 1500 students. The hostel rooms are well furnished with the provision of furniture, almirahs, bedding and curtains. Each hostel has its own mess and well furnished dining hall, gymnasium, TV room, library, playgrounds, recreation room, adequate power back up, solar water heating system, round the clock security and canteen cum utility shop. Separate residential wardens are employed for each hostel.

Separate hostels are provided to first year students.

Healthcare Facilities

The college provides comprehensive medical facilities to the students at a very nominal charge. The students are provided free OPD at the RSG Indo German Hospital, a 50 bedded hospital with ICU, operation theatre and diagnostic facilities in the vicinity of the campus. A free medical check-up is arranged for all the students at the time of joining the college. Ambulance facility is available, on call round the clock, in case of an emergency. In addition to these in-house medical facilities, the college procures Group Medclaim and Group Accidental Policy for all students.

Other Facilities

- Separate canteen in college and each hostel
- Utility shop in each hostel
- Stationary shop in the college
- ATM on campus

ADMISSION PROCEDURE

B.Tech and MCA Programmes

(a) UPSEE Counseling

Admissions to B.Tech I year, MCA I year, B.Tech II year (Lateral Entry) and MCA II year (Lateral Entry) are made through Combined State Entrance Examination(UPSEE) conducted by Dr. A.P.J. Abdul Kalam Technical University(AKTU), Lucknow.

The minimum qualification for B.Tech I year is intermediate (10+2) in Physics, Chemistry and Mathematics or equivalent with minimum 45% marks (40% for SC/ST).

The minimum qualification for MCA I year is graduation (10+2+3) in any discipline from any recognized institution with minimum 50% marks (45% for SC/ST). The candidate must have passed Mathematics at 10+2 level or graduation level.

The minimum qualification for B.Tech II year (Lateral Entry) is 3 year Engineering Diploma in any branch of engineering (except Agriculture Engineering, Pharmacy and Architecture) or graduation in B.Sc. with minimum 45% marks (40% for SC/ST).

The minimum qualification for MCA II year (Lateral Entry) is graduation(10+2+3) in BCA or B.Sc. (IT/CS) from any recognized Indian University or its equivalent recognized by AIU, with minimum 50% marks (45% for SC/ST). The candidate must have passed Mathematics at 10+2 level or graduation level.

Conditions pertaining to reservation, domicile requirements etc. are available in the UPSEE Information Brochure.

(b) Management / NRI Quota

Management/NRI quota seats are allotted as per the directions of U.P. Government and Dr. A.P.J. Abdul Kalam Technical University, Lucknow. General guidelines are available in the UPSEE Information Brochure.

Admissions are done on the basis of:

- (i) UPSEE/JEE(Mains) Rank and PCM percentage in 12th Std. for B.Tech
- (ii) UPSEE rank and graduation percentage for MCA

The college also conducts a written aptitude test and personal interview to ascertain the suitability for admission.

The registration forms may be collected in person from the College campus or downloaded from the College website www.akgec.org.

M.Tech Programmes

Admissions are made through counseling conducted by Dr. A.P.J. Abdul Kalam Technical University, Lucknow and also directly at the College level. The University issues notification for counseling in the month of June/July and invites applications from the students.

Eligibility

Automation & Robotics : B.E./B.Tech in Mechanical Engineering, Electrical Engineering, Electronics & Communication Engineering, Computer Science Engineering or related branches.

Electronics and Communication Engineering : B.E./B.Tech in Electronics & Communication Engineering or related branches.

Electrical Power and Energy Systems : B.E./B.Tech in Electrical Engineering, Electrical & Electronics Engineering or related branches.

Computer Science and Engineering : B.E./B.Tech in Computer Science Engineering, Information Technology or related branches or MCA.

VLSI Design : B.E./B.Tech in Electronics & Communication Engineering or related branches.

Mechanical Engineering : B.E./B.Tech in Mechanical Engineering or related branches.

The criteria for direct admissions at College level is marks in B.E./B.Tech in relevant branches of engineering or MCA (for M.Tech in CSE) with minimum 60% aggregate marks.

FEE REFUND NORMS

In case of cancellation of admission, fee will be refunded as per the AICTE notification and G.O. passed by the U.P. Government.

S.No	REQUEST FOR REFUND	REFUND
a.	Request received before start of session and seat being filled by the College	Entire fee after deduction of Rs. 1000/-
b.	Request received after start of session, subject to seat being filled by the College	Entire fee after deduction of tuition fee on pro rata basis
c.	Request received before or after start of session and seat not being filled by the College	Caution money only

In case of withdrawal from hostel, only security and mess charges (for unutilized months) are refundable on a pro rata basis.

ACADEMIC PROCESSES

University Ordinance

The University Ordinance consists of all rules and regulations that govern the entire academic system of the University. The Ordinances for various courses are available on University website and students are expected to read them on regular basis, so that they not only remember the salient features but also get aware of the updates taking place from time to time.

Semester Registration

Every student is required to complete registration formalities at the beginning of each semester (Odd & Even). Students are expected to strictly adhere to the registration dates and processes, failing which, strict disciplinary actions may be initiated against them by the College.

Attendance

Every student is required to attend all the lectures, tutorials, practicals and other prescribed curricular and co-curricular activities. The attendance in classes and labs may be condoned up to 25% on medical grounds or for other genuine reasons beyond the control of student. A further relaxation of attendance upto 15% for a student can be given by Head of Institution/College provided that he/she has been absent with prior permission of the Head of the Institution/College for the reasons acceptable to him. No student will be allowed to appear in internal and end semester examination if he/she does not satisfy the attendance requirements.

Examination

During any semester, the students shall be appearing in internal and external examinations. The internal examinations include Class Test-I, Class Test-II, Sessional Test-I, Sessional Test-II and Pre-University Test which along with attendance form the basis of calculation of final internal marks for the entire semester. The external or end semester examinations are conducted by the University. Both University and College issue relevant circulars/notices at appropriate times regarding conduct of examinations and publish the date sheet.

Award of General Proficiency (G.P.) Marks

Marks in General Proficiency (G.P.) for students are awarded rationally and systematically in accordance with the guidelines specified by AKTU. The award of marks is based on the student's academic performance, attendance in classes, participation in extra/co-curricular activities and conduct. Indiscipline draws penalization in form of G.P. marks deduction based on the severity of indiscipline.

Awards and Incentives

Encouraging the students to perform better is a continuous effort at AKGEC. Various awards at different stages have been instated in order to motivate the students towards better performance in academics.

ORIENTATION PROGRAMME

The orientation programme for first year students is conducted by an integrated team of senior faculty members and student coordinators of various college societies, under strict supervision of the Proctorial Committee, followed by a freshers' party.

Salient features of the programme are:

- College tour including visit to central facilities such as labs, library, hostels, computer centres, canteen etc.
- Presentation on various aspects of academics, extra-curricular and co-curricular activities
- Address by the Director
- Briefing by Dean I year on academics
- Directions by Proctor on discipline
- Introduction of Heads of Departments and important functionaries of the college
- Presentation by college Dramatics Society GOONJ on the theme of Anti Ragging
- Sessions on Value Education, Self Learning, Motivation and Time Management
- Briefing by respective departments
- Talent search programme to identify talent among first year students

STUDENT MENTORS

Senior students are assigned mentors to groups of first year students. A group of six first year students is assigned a student mentor from B.Tech III year, of the respective department, and MCA II year. Students can consult their mentors and seek help on important issues. Each group of mentors is further assigned a student mentor from B.Tech IV year and MCA III year respectively.

ANTI-RAGGING SQUAD

Ragging is totally banned in AKGEC. As per the regulations given by the Supreme Court, anyone found guilty of ragging and/or abetting ragging will be severely punished including suspension from college, heavy fine and/or imprisonment.

Each of the following would constitute an act of ragging:

- Any conduct by student(s) whether by words, spoken or written, or by an act which has the effect of teasing and/or treating or handling with rudeness a fresher or any other student

- Indulging in rowdy or indisciplined activities by student(s) which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student
- Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student
- Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher
- Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students
- Any act or abuse by spoken words, emails, post and public insults

Ragging related issues may be brought to the notice of members of the College anti-ragging squad.

Important :

1. Hostel rules and regulations are subject to change and/or new rules may be added.
2. Non adherence to hostel rules and regulations will attract severe disciplinary action including deduction of G.P. marks, imposition of fine and expulsion from hostel/college.

TRAINING AND PLACEMENT

The college has a full-fledged Training and Placement Department headed by a Professor. The highly competent team engages in interaction with corporate houses to explore the opportunities for training and job placement of students. Counseling is provided to groom students in order to meet the standards of the industry, not only in technical knowledge but also in interpersonal and communication skills. Interactive seminars on emerging technologies, personality development programmes, career counseling and industrial visits are arranged to provide an excellent exposure to students.

The college has an excellent placement record and the campus placements have been steadily improving both in terms of numbers and types of companies. The major recruiters are ABP News Network Pvt. Ltd., Ceasefire Industries Pvt. Ltd., Cummins, Ericsson, Fiserv, Google, HCL Technologies, Hindustan Sanitary Ware Industries Limited, Hewlett Packard Enterprise, Ibibo Group, IBM India, Intelligrape Software, Samsung India Electronics Pvt. Ltd., Saint Gobain India Pvt. Ltd., Sopra Steria, Syntel, Infosys, Jakson, L&T Infotech, Libsys Limited, Lohia Group, MAQ Software, M Tree, Motherson Sumi Infotech and Designs Ltd., Newgen Software, NIIT Technologies, OSS Cube, SK E&C India Pvt. Ltd., TCS, Tolexo, Timex, Torrent Power, Unisys, Wipro Technologies, Indian Navy, IAF and Indian Army.

The Training and Placement Department facilitates specialized programmes like Personality Development Programme and Campus Connect Programme to enhance the employability of the students.

CENTRES OF EXCELLENCE

To strengthen our commitment for improving quality of education and to keep our students and faculty abreast with the latest technological advancements through close interaction with industry, the college has collaborated with various eminent multinational industries to establish Centres of Excellence in various domains. These centres not only provide industry relevant training to students but also promote applied research and industrial consultancy. The college also provides co-curricular training in various fields to augment the structured course work and improve employability of its students.

- Industrial Robotics Training Centre, the first of its kind in the country, established in collaboration with KUKA Robotics, providing internationally recognized and valid certification at basic, intermediate and advanced levels
- Centre of Competence in Automation Technologies, in collaboration with Bosch Rexroth AG, Germany, the first of its kind in North India, for training in industrial hydraulics, pneumatics, sensorics, drives and control, CNC, PLC and mechatronics
- Industrial Pneumatics Knowledge Centre, set up jointly with Janatics India Pvt. Ltd., to promote projects and application development for low cost automation suited for SMEs

- LabVIEW Academy, the first of its kind in the state of Uttar Pradesh, established jointly with National Instruments, India under their Planet NI (Nurturing Innovation) framework for training in the field of Virtual Instrumentation
- PLM-Centre of Excellence, set up jointly with SIEMENS Industry Software Ltd., equipped with advanced design software suites like Solid Edge, Femap, NX, Team Centre, Technomatix etc.
- AIA-Competency Development Centre, under the Campus Connect Initiative of Automation Industry Association of India(AIA), for providing training in Integrated Automation across multiple engineering streams to students and practicing engineers from industry
- Research and Industrial Consultancy Centre (RICC) facilitating collaborative development and consultancy projects. RICC also conducts regular training sessions for students in AutoCAD, Pro-Engineer and CATIA V5 softwares
- Software Development Centre (SDC), equipped with state-of-the-art infrastructure and hardware/software tools, providing a highly conducive and stimulating environment for the young brains to explore and come out with innovative solutions using emerging technologies
- Microsoft IT Academy, under the aegis of Department of Computer Science and Engineering, to expose the students to the latest Microsoft technologies and prepare them for Microsoft certification that will enable them to be market ready thereby increasing their placement opportunities manifold
- Big Data Centre of Excellence, under the Department of Information Technology, equipped with fully functional cluster of 12 data nodes and 1 name node, to provide training in big data analysis and research opportunities
- School of Software Technology, established by Department of Information Technology, offering courses in software technologies
- Oracle Workforce Development Program (WDP) Centre, in educational partnership with Oracle India Private Limited, conducting Oracle courseware designed by Oracle University

BEYOND THE CURRICULUM

Today's competitive challenges cannot be overcome with academic excellence alone. With this in view, AKGEC focuses on a holistic development of the students. This is achieved through numerous ventures in addition to academic programmes.

- 100 hours mandatory Personality Development Programme for B.Tech II year and MCA I year students in association with Advait-Life Education, an organization run by IIT and IIM alumni in collaboration with academicians from leading business schools of India
- Guest lectures delivered by eminent personnel from the industry with the aim to strengthen the knowledge base of students and make them competitive while they ready themselves to enter the professional world
- Infosys Campus Connect programme, an industry-academia partnership of Infosys, to groom industry ready professionals
- Industrial visits to provide exposure and give feel of the industry to students

PROFESSIONAL AND CULTURAL SOCIETIES

Every one lives with something special in him or her - an artist, an innovator, a thinker and so forth- a latent talent that sets him or her apart from the others. The college societies inspire the creative aspect of the students to come to the forefront and shine.

The departmental technical societies provide a platform to the students where they can enhance their practical skills by conducting and participating in technical contests, paper presentations, seminars and a plethora of similar activities. The societies are managed by the students under assistance and guidance from faculty co-ordinators.

Technical Society	Department
Conatus	Computer Science and Engineering Information Technology
Phoenix	Electronics and Communication Engineering Electronics and Instrumentation Engineering
Samveg	Mechanical Engineering
Oorja	Electrical and Electronics Engineering
Nirmaan	Civil Engineering
Parivridhi	Master of Computer Applications

The cultural and literary societies encourage the students to showcase their talent through various events during college functions. A variety of cultural, technical and sports events are organized throughout the year.

Footprints, the literary and art society, organizes various competitions throughout the year: Anti-ragging Poster Making competition, Saksham Mascot Designing competition, Blood Donation Poster Making competition, Face Painting competition, T-shirt Painting competition and many more. The works of the brilliant artists are put up for display in the college exhibition arcade.

Horizon, the society under the aegis of Department of Applied Sciences and Humanities, conducts activities that enable the students in developing soft skills like effective communication, leadership, team work and negotiations etc. Besides events like essay writing, debates and paper presentations, the society conducts two important events every year - *KIRAN: Kaho India Ragging Aur Nahi* and *Disha*, the Orientation Programme for the first year students.

Zest, the society with primary focus on the enrichment of English language and soft skills targets mainly the first year students to strengthen their fundamental knowledge of grammar, improve vocabulary and instill the confidence to apply this knowledge practically. The objective is achieved through conduct of workshops, seminars and contests.

Renaissance, the ethical and social welfare society of the college, has been formed with the objective to inculcate good moral values, ethics, work culture and positive attitude among students. The society organizes workshops and seminars in pursuit of its objectives, as well as encourages students towards cleanliness and social responsibilities through competitions and events.

Goonj, the dramatics society of the college, is actively involved in organizing street plays, mimes, poetry events and theme based skits during various college functions. The society has actively participated in cultural fests in various colleges and won laurels for the college.

Taal, the Dance Society of the college, organizes various dance events and competitions within and outside the college. The society has participated in various inter college events and won prizes for the outstanding performances.

Euphony, the college band, an amalgamation of talent on various instruments, has been star performer in the college activities. Besides various events, the society conducts musical classes for learners in the college during evening hours.

INSTITUTIONAL MEMBERSHIPS AND STUDENT CHAPTERS

- Institute of Electrical and Electronic Engineers (IEEE)
- Computer Society of India (CSI)
- Institution of Electronic and Telecommunication Engineers (IETE)
- Society of Automotive Engineers (SAE)
- American Society of Heating, Refrigerating and Air-conditioning Engineers (ASHRAE)
- Institution of Communication Engineers and Information Technologists (ICEIT)
- Indian Society for Technical Education (ISTE)
- Ghaziabad Management Association (GMA)

AKGEC PUBLICATIONS

AKGEC publishes the bi-annual International AKGEC Journal of Technology to provide a forum for publishing new findings on engineering and technology. The journal publishes blind peer reviewed research papers related to engineering streams and allied disciplines. The journal is available for the readers online as well as in print. The journal has eminent professors, researchers and corporate executives on its honorary editorial board.

Additionally, in harmony with the College ideology of research orientation of faculty and students, each department publishes its own departmental journal with articles contributed by faculty and students. The bi-annual journals are managed by the departmental editorial boards under the able guidance of the Heads of Departments.

ALUMNI RELATIONS

The best measure of the success of an educational institution is the success of its alumni. AKGEC has a highly networked strong community of over 6500 alumni who are enjoying distinguished status in various organizations in India and across the globe. An alumni meet, organized every year, is marked with the sharing of success stories, experiences and memories amidst a myriad of cultural events.

EXTRA AND CO-CURRICULAR ACTIVITIES

Students are motivated to participate in the extra and co-curricular activities. The departmental societies provide a platform to the students where they can enhance their practical skills by conducting and participating in technical contests, paper presentations, seminars and a plethora of similar activities. The cultural and literary societies encourage the students to showcase their talent through various events during college functions. A variety of cultural, technical and sports events are organized throughout the year.

- Orientation programme for the new entrants at the start of academic session
- Anti Ragging Campaign
- Freshers' Party
- All India Ajay Kumar Garg Memorial Table Tennis Tournament in association with Ghaziabad District Table Tennis Association
- Saksham, the annual inter department sports meet
- SCROLLS, an annual paper presentation event, in association with Ghaziabad Management Association (GMA)
- Tech Trishna, the inter college technical fest jointly organized by the departmental societies

- Vibrations, the annual cultural fest
- Farewell Party
- Festivals and days of national importance

Our students are encouraged to participate in literary, cultural, technical and sports events organized by other colleges, and have won laurels in various events conducted by AKTU, IIT Delhi, IIT Kharagpur, IIT Kanpur, Delhi Technological University (DTU), Jawaharlal Nehru University (JNU), Aligarh Muslim University (AMU) and other institutions.

SOCIAL RESPONSIBILTY

AKGEC not only discerns its responsibilities towards building the future of the country but comprehends its social accountability also. It believes in bringing about a transformation in the students through observation and participation. Some important initiatives undertaken are:

- Blood Donation Camp organized every year in association with the Rotary Club
- Fund Raising Week, under Communal Harmony Campaign initiative of the National Foundation for Communal Harmony (NFCH) which is an autonomous organization under the Ministry of Home Affairs, Government of India. The donation collected from faculty, staff and students is sent to the Organization to be used for a noble cause
- Primary school Adarsh Vikas Kendra for the children of construction labor employed in the college with facilities of free education, uniform, bag, books and mid day meal
- Adoption of Corporation School at Kazipura for provision of needs including swings, slides, sitting mats and other basic amenities
- Conduct of computer training courses for school going students of nearby villages with the aim to make them suitable for employability under the Skill Development Programme in alignment with the 'National Skill Development' mission by the Hon'ble Prime Minister of India
- Tuition fee subsidy to children of class IV employees
- Donation of computers to schools

HIGHLIGHTS

- The only college in U.P. to receive the Academic Excellence Award for Best Engineering College under UPTU (now renamed AKTU) from His Excellency the Governor of U.P. for two successive years
- Recipient of CMAI award for Best Industry Interface from Hon'ble Minister of Science and Technology, U.P.
- 98% MCA and 97% BTech students graduated with 1st division/distinction during 2014-15
- Consistently outstanding results with a large number of students in University merit lists. 21 students in the branch wise merit lists of the University with the highest tally of 3 Gold, 1 Silver and 2 Bronze Medals in 2014-15
- Over 700 students placed in reputed companies like Infosys, Samsung India, TCS, Libsys, Wipro Technology, Newgen Software, Sopra, Torrent Power, Innovaccer, Lohia Group, etc. during the session 2015-16
- Excellent performance of students in GATE with Shobhit Mishra achieving 3rd All India Rank
- Excellent performance of students in CAT with Bharat Tripathi scoring 98.27 percentile
- Excellent record of admissions to eminent post graduate Institutions including IITs and IIMs for higher studies as well as reputed Universities abroad. Six students selected in IITs, one in IISC Bangalore, one in IIM Calcutta, one at University of Buffalo, New York and one at Narsee Monjee Institute of Management(NMIMS), Hyderabad during 2015
- 168 students of AKGEC amongst about 778 CLAD certified professionals in the whole country
- The only institution in U.P. to have received approval from DST, Govt. of India, for establishment of Centre of Relevance and Excellence (CORE) in the field of Industrial Automation & Robotics
- The only institution in India to establish six centres of Excellence in collaboration with eminent multinational industries like KUKA Robotics, Bosch Rexroth, National Instruments, Siemens, Janatics and AIA
- First Institution in U.P. to establish Virtual Lab for remote experimentation in collaboration with IIT Delhi
- Range of specialized courses and training sessions after college hours for enhancement of technical expertise of students
- Mandatory personality development module for all students of B.Tech II year and MCA I year, in order to promote creativity, integrity and nurture soft skills in the students
- 1800 Networked computers and Wi-Fi for 24x7 internet with 150 Mbps fiber optic connectivity
- Modern hostels having accommodation for 1500 boys and girls
- Sprawling campus spanning over 40 acres with excellent infrastructure
