Call for Manuscripts

Invitation for Manuscripts concerning engineering subjects for publication in the AKGEC International Journal of Technology.

In tune with its innovative leadership in academics, Ajay Kumar Garg Engineering College, Ghaziabad commenced publication of a Technical Journal to provide a forum for publishing new findings on engineering and technology.

AKGEC International Journal of Technology has a periodicity of six months and is distributed among top-level universities and technical institutions worldwide with no charge, so that it may encourage further development in the related fields. All communications in this respect are free of cost.

The idea behind this task is to provide platform that encourages innovations in the field of engineering and make exchange of the same among other institutions of repute abroad. This effort would certainly help the growth of research and its subsequent expeditious progress in the world.

Scientific articles are invited from faculty members and scientists related to engineering branches, namely, Electrical Engineering, Electronics, Communication Technology, Instrumentation and Measurement, Information Technology, Computers, Mechanical Engineering, Robotics and allied disciplines.

Soft copies of the 3000-words articles composed in Word 2003-format are invited. IEEE style of preparation of the manuscript will be followed. Equations should be composed using 'Equations Editor'. Figure-captions should not form part of the figures: they should be composed separately. Tables should be serially-numbered and put together at the end.

The benefits of publishing articles in the AKG journal include:

- Fast publication times: your paper will appear online as soon as it is ready, in advance of print version
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions Worldwide.
